

Pre-Primary School

SCHOOL FEES – 2025

Continued sound financial management exercised by successive committees during recent years has ensured that the school has maintained a strong financial position. Our objective continues to be one where school fees fund operating expenses, whereas revenue raised by the PTA Committee is used solely for special projects, which improve the quality of the facilities at the school.

Please note:

- Fees are set by the Governing Body and are revised each year.
- Our fee structure **INCLUDES**: Screening with an optometrist and audiologist; all outings, toiletries, stationery, and Scholars Accident Insurance.
- Fees are due by the **7th of every month** from January – November. Should the due date fall within the school holiday, parents must ensure that payment is reflected before the last day of term.
- One term's written notice is required should you wish to withdraw your child from the school, failing which parents are liable for a full term's fees in lieu of such notice.
- There will be no refunds in the event of absenteeism.
